Receipts.—The receipts under the head generally comprise the grants from State Funds sanctioned by Government and allotted by Districts and the contributions from the Village Panchayets. The Treasuries will credit all the receipts to the head "Inter-village Communications Fund" opened in the Treasury accounts and submit the relative schedules along with the concerned chellans to the Audit Office along with the monthly accounts.

(iii) *Works Expenditure*—(*a*) *Estimates.*—There should be a regularly sanctioned estimate for each work undertaken for execution, sanctions the etc being accorded by the various authorities empowered to do so to the limits fixed in para 4 of the Government Order quoted above. A list of sanctions to the estimates sanctioned by the Revenue Sub-Division Officers and those sanctioned by the Deputy Commissioner may be sent through the Revenue Commissioner so as to reach the Audit Office in the first week of the following month. A similar list of estimates sanctioned by the Revenue Commissioner has also to be sent by that officer in whose return the sanctions by Government have to be included showing the latter distinctly and separately.

(*a*) *Execution of Works.*—The execution of works, formation, improvements and maintenance works, will be carried out by the Revenue Department, in accordance with the instructions issued in para 2 (i) to (v) of the Government order referred to above. While letting out contracts, especially in the case of works costing more than Rs. 500 tender system has to be followed, the powers of acceptance of tenders being the same as the powers to sanction the estimates. In the case of works entrusted to contractors, regular agreements are to be obtained specifying the conditions necessary to safeguard Government against loss and recorded before works are permitted to be started. A register of such agreements entered into is to be maintained in the Deputy Commissioner's Office.

(*c*) *Forms of Bills for payments to contractors.*—Works done by the contractors or other agency will be duly measured and recorded in a measurement book by the subordinates in charge and billed for in bill forms adopted in the P.W.D. for road works with bold printing at the top "Payable at Treasury" and also head of account "Inter-village Communication Fund" printed conspicuously as in the case of bill forms for Rural Water Supply Fund Works.

The measurements of each bill have to be check measured by the Amildar before payment and after such check and scrutiny with reference to sanctioned estimate the bill will be passed by the Deputy Commissioner for payment at the Treasury which will make payment after obtaining necessary acknowledgment of the party on the bill.

The rules obtaining in the P. W. Accounts Code regarding preparation of bill, check measurements and payments and record of progress on works, etc, will have to be scrupulously followed except that payment will be authorised on the bill instead of on a pass order in P. W. D.
